The example monthly rentals quoted are based on non maintenance contract hire for businesses and on 3 advance payments followed 35 subsequent payments, 10,000 miles per annum.

The driver's tax cost is the equivalent monthly deduction based at either 22% or 40% tax rates and does not reflect any options or extras that may be available on these vehicles.

Calculations based on information available on 10/9/2003

All figures are produced for guidance purposes and should be verified.
